Research Options

MIS Course Coordinator approval is required for subjects in research (including ISYS90031, ISYS90100- ISYS90110). Students will normally be required to achieve at least a 75% average with no subject receiving less than 65%. Students will also normally achieve a mark of 80% in Research Methods to be able to continue their research studies.

Entry is dependent on the availability of a suitable supervisor for the chosen area of research.
